# ***PORTRAITS OF AN EDUCATION AT DAVIDSON HIGH SCHOOL.... MOBILE, ALABAMA***

Davidson High School is more than an institution of academic learning. Receiving an education involves more than just gathering in a building at the sound of a bell to hear the words of a teacher. The education that Davidson provides includes unique combinations of sight, sound, and smell. Molded together they form a series of four-dimensional pieces of sculpture. These are preserved in the only way possible, through an annual of flattened pictures—portraits of an education.

The fourth dimension, the one we have tried to capture in these "portraits," is spirit. Spirit keeps the vividness of an image and a memory alive. Be it wild enthusiasm at a ball game or reverence at morning devotion, the spirit of Davidson High will linger long in the minds of students and faculty members.

This, then is an effort to present through photographs and words the spirit of 1963-1964 at Davidson. . . . .

*AS PRESENTED BY THE TOSHOA STAFF*

Konnie,  
you, one of the  
sweetest <sup>cutest</sup> boys I know.  
with a great personality -  
never change. Good luck  
with Stuffy. Keep smiling  
Love ya  
Lorrie

Presented on these pages are random scenes, common and unique, at Davidson High. We, the Toshua, Staff, can remind you of that rare and reassured prom, of that sincere smile from someone you know only by name, or of the enthusiasm with which you emerge from an especially stimulating class. We can show you pictures of our school, and the people who work and learn here. This is both our goal and our limit: the rest is up to you . . . . .

OF 1963-1964...

***ALICE MAE BRIMM***

# Dedication

A keen awareness of the present and a piercing scope into the future are only two of the many outstanding qualities of our honoree. Since coming to Davidson in 1960, she has become a friend to the students, and the students consider her a true scholar. In addition to being an instructor of Senior and Advanced English, Mrs. Brimm renders unselfish service as Senior Class Sponsor. She also sponsored the Azalea Trail Election.

Born in Illinois, Mrs. Brimm attended Butler University in Indianapolis and received her A.B. Degree at the University of Alabama. Previous to Davidson, she was a class room instructor at Phillips Junior High and Barton Junior High.

Mrs. Brimm is the proud mother of one son who has his own family and resides in New Jersey. Mr. John Brimm, the honoree's husband, is the principal of Kate Shepard Elementary School. Because of her outstanding qualities as a leader and scholar, we the TOSHOA STAFF of 1964, dedicate this edition of the TOSHOA to Mrs. ALICE MAE BRIMM.

# MOBILE SCHOOL BOARD

Dr. Cranford H. Burns  
Superintendent of Education

Since its establishment in 1826, the Mobile School Board has established, organized, controlled, maintained, and operated the public schools in Mobile County.

Dr. Cranford H. Burns serves as Superintendent of Education. The five elected members of the board are Mr. C. E. McNiel, Mr. W. B. Crane, Mr. A. Smith, Jr., Mr. K. Reid, and Mr. J. C. Gallalee.

The School Board works diligently in the interest of the children of Mobile County.

# ADMINISTRATION

Mr. Sam H. Shout, Principal

Mr. Sam H. Shout, who holds a bachelor of science degree from Transylvania College, Lexington, Kentucky, and a masters degree from the University of Kentucky, is the first principal of the new Davidson High.

Prior to his experience at Davidson, Mr. Shout was a classroom instructor and coach at Murphy High School. Mr. Shout not only works hard to co-ordinate the activities of the school, but also takes an active part in planned activities. Mr. Shout's amiable character and cooperative nature have gained for him the genuine respect of the students.

Besides being an important educator, Mr. Shout takes an active part in community projects. He attends the Cottage Hill Baptist Church and is the father of three children: Pam, Pat, and Robert.

# ADMINISTRATIVE STAFF

Mr. Edward White  
Assistant Principal

Mr. Edward White, a new-comer to Davidson, holds the position of Assistant Principal. Prior to Davidson, Mr. White was a teacher at Vigor High School, where he worked vigorously with the Student Council. Mr. White's congenial nature and efficiency have made him popular among the students and faculty.

Working along side of Mr. White is the Administrative Staff. This group of hardworking individuals keeps business matters of the school functioning smoothly and pleasantly.

# DAVIDSON HIGH FACULTY

Alabama has progressed steadily in its educational growth in the past one hundred years. This progress was made possible by the sacrifice, fortitude, and unselfish service of teachers through the years. From the little one room red school house, with its well-water and wood-burning stove, to our ultra modern structures of today, the teachers have been our guiding force—always present, always patient and diligent when needed to guide the minds of the young.

Relaxation for teachers is found in their new lounge.

The regal festivities of the Homecoming were opened by the election of ANN SMITH as Homecoming Queen to reign over all the gala processions. This, Davidson's first homecoming, was an expressive and highly exhalted occasion. The mood of the celebration was full of enthusiasm and high spirits. The favorite yell was that of "Beat McGill, Stomp Yellow Jackets" !!! The student body and the public witnessed the presentation of the Homecoming Court and the crowning of the Queen by last year's Football Queen, Mary Kay Eddins, at Ladd Memorial Stadium. The band's outstanding performance carried out their theme for the show, "Thank Heaven for Little Girls." The Homecoming Dance was held in the school cafeteria the following night, to celebrate the victory as well as to end a week of glorious memories!!!

## ***STUDENT COUNCIL***

The W. P. Davidson High School Student Council promotes the general welfare of the entire school by developing citizenship, promoting harmonized student relation throughout the school, improving student-teacher relationship, school morale, assisting management and direction of school activities, and providing for student expression.

The Student Council purpose has been carried out in various activities and services. The main functions of the Council require operation of the school store, production of the student handbook, organization of the Interclub Council, encouraging and chartering school-affiliated clubs, maintaining the Lost and Found, and collecting money on Penny Day (the school welfare fund).

Special Service projects include the election of students to fill governmental and departmental offices for youth week. Two Student Council functions at Christmas are the purchasing of gifts for the administration and the janitorial workers plus the collection of Christmas-gift baskets for needy children, also the student per-sale of Senior Bowl tickets, sponsoring a Mobile-County-Association of Student-Councils meeting at Davidson High School, and supplying the graduation programs for the 1964 graduating class.

The Student Council provided such student social activities as the first Davidson Homecoming Dance, soc hop after all home football games, a Hootnanny, and a Backwards Week Dance, were also sponsored by the Student Council for benefit of the entire student body.

These positive steps toward promoting school welfare have provided a definite stand by the Student Council against vandalism and has done much to influence the outstanding character of the Davidson student as noted by visits to our delightful new campus.

Mrs. Merwin  
Sponsor

Ervin Thompson and Ann Smith  
Top Officers in Student Council.

# ***NATIONAL HONOR SOCIETY***

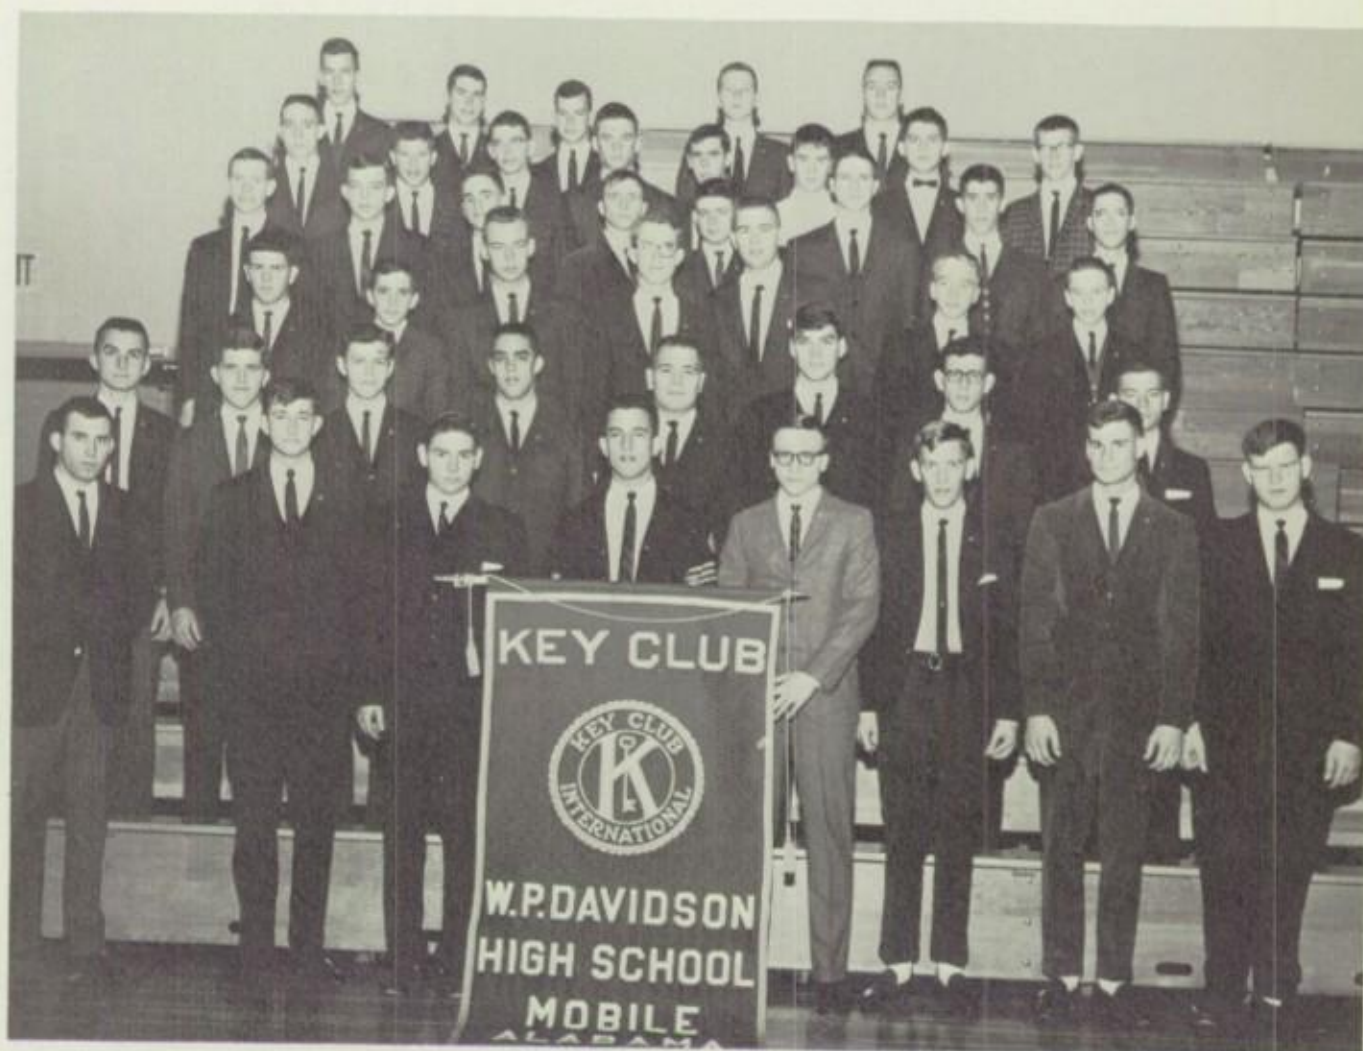

## ***HIGH STANDARDS SET FOR N. H. S.***

Serving as an inspiration and goal for aspiring students, the Davidson National Honor Society strives to increase self respect and to provide recognition for those persons outstanding in character, scholarship, leadership, and service. To be eligible for membership in the National Honor Society a student must meet several qualifications. Not only does he have to maintain a high scholastic average, but must have a specified amount of service credits and also have no disciplinary record against him.

# KEY CLUB

Leadership, initiative, and service are developed by the memberships of the Key Club. About forty-five boys, interested in becoming more useful citizens, direct their attention toward serving the school and community. Sponsored by the Loop Kiwanis Club, the Key Club provides experience in living and working together.

The Key Club elected Ann Smith the 1964 Sweetheart, and the able sponsor of this club for 1964 is Mr. Atkins, a member of the faculty at Davidson.

## ***LATIN CLUB***

## ***JUNIOR CLASSICAL LEAGUE***

Davidson High School now has an active chapter of the Junior Classical League. The members of this organization believe an acquaintance with the civilization of Greece and Rome will help them understand and appraise this modern world of today which is indebted to ancient civilization in its governments, laws, literatures, languages and arts.

The J.C.L. with the help of their sponsor, Mrs. Ingram, planned three projects this year. They were as follows: Silver Key Contest, Roman Banquet, and the State Convention.

# *AFICIONADOS de ESPAÑOL*

(FANS OF SPANISH)

The club's purpose is to become familiar with the customs, and literature of the Spanish-speaking people and to promote friendship between their countries and ours. Activities include a dinner at the Spanish Villa and a Hayride to St. Elmo. Future plans include a barbecue and a beach party plus the Pan-American Day. The club's faculty sponsor is Miss Dacey.

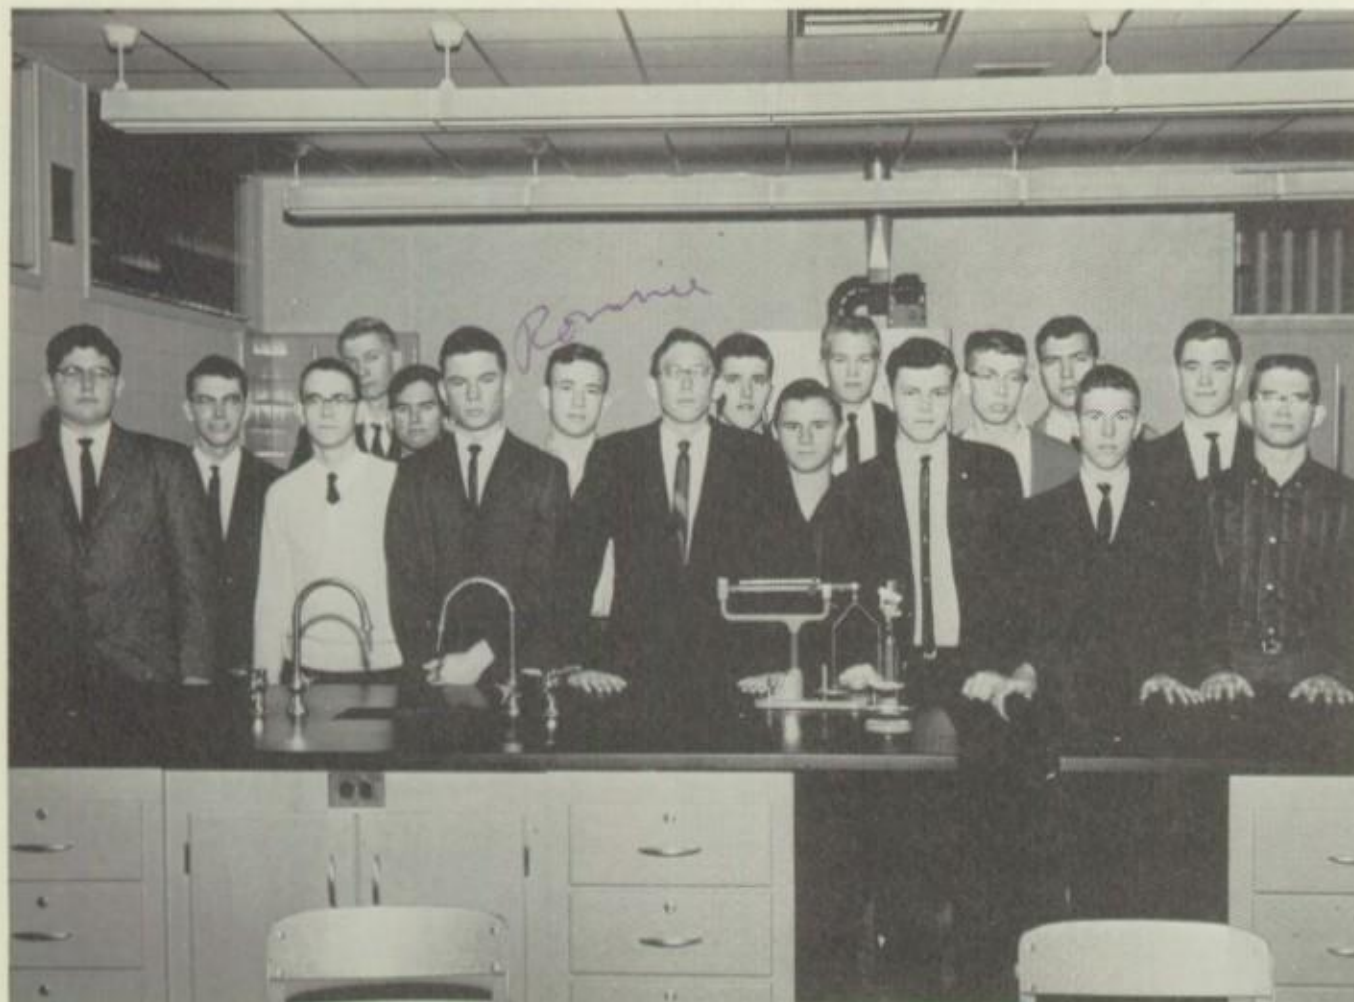

## *GERMAN CLUB*

This organized group of students, interested in certain aspects of Germany and its people, have activities to pursue their interests, such as a tour of a German ship and subscriptions to the German *Glückauf*. Members have also corresponded with other students in Germany.

The enthusiastic sponsor is Mr. Tillman.

## SCIENCE CLUB

Newly chartered this year was the Davidson Science Club, sponsored by a faculty member, Mr. Ed Napier. The organization's purpose was to promote a knowledge of science and the various fields to its members. In order to accomplish this task, the group has made several field trips; they attended a lecture on astronomy presented by Mr. Ziemba of Springhill College, and made a trip to Courtaulds Inc. December's excursion took them to Bell Telephone's Office. Several films have been viewed at club meetings. As an interesting topic for club discussion, members have presented their own collections connected with scientific hobbies.

## ***MATH CLUB***

## DAVIDSON'S PEP CLUB

The purpose of the Pep Club, which was organized in 1961, was to promote school spirit, to support all athletic activities, and to decorate the stadium for football games. This organization has done much, through its school spirit, to give Our Team the support it needs and to help make it what it is today.

## INTER CLUB COUNCIL

Headed by the Vice-President of the Student Council, the Inter-Club Council coordinates the work of all the clubs at Davidson. It is composed of the President from each club.

For the year the Inter-Club council has undertaken as its project the improvement of school facilities. The council aids in smaller projects of the student council. Each club presents ideas and problems to the council to be discussed and solved. In this way, clubs gain recognition for work done for the student body.

# DAVIDSON HIGH SCHOOL BAND

To become a musician takes a great deal of work and ability. The Davidson Band begins work on the next year's activities following the close of the school year. Through the first term of school, the band works diligently on the half-time shows which are given at the football games. At the end of football season, this group immediately begins practice on the Spring Concert and other shows. The entire year is spent working on parades and school functions.

# D. H. S. BAND SECTIONS

Davidson may well be proud of its choral department. Throughout the year these students, under the excellent leadership of Mrs. Bonnie Jean Early, have worked hard and made many impressive performances, for the Churches and organizations in the community. The entire department presented a superb "Mid-Term Musical." Davidson entered five chorused, several ensembles and many solos in the District contest. The ratings received on entrys were commendable with many rating superiors and excellent. Girl's Chorus, Special Chorus, Boy's Chorus, and Madrigal were recommended to compete in state competition.

## ***VARSITY FOOTBALL SQUAD***

The Davidson Eleven, under the direction of Coach Eugene T. Redell, had a six and two record this year, having lost to U.M.S. in their second game and to Vigor in their third. Even with these loses under their belts, the Davidson Team felt confident they could beat the Mighty Murphy Squad, which ranked first in the state. They did. The Warriors scalped the Panthers 14 to 7 to the delight of the whole school.

# Dedication at

Dr. Burns presents key to Mr. Shout

The Dedication of W. P. Davidson took place at 3:00 p.m., in the new gymnasium. Dr. Cranford H. Burns presented Mr. Shout with the key to the school. Special guests were the Davidson family, Members, and Board of School Commissioners, County and city Commissioners, and the Architect.

The Address was delivered by Charles E. McNeil, President of Board of School Commissioners of Mobile County. In response to Mr. McNeil's address Dr. Cranford H. Burns, Superintendent, presented Mr. Shout with the key to Davidson. Mr. Shout then turned the program over to Michael Bergbower who delivered the Student Message. The closing message was given by Mrs. Betty Dismuker, Speech instructor at Davidson. The Senior class was recognized at the Dedication.

W. P. Davidson Senior High School is named for the late William Pickett Davidson, who was employed as business assistant by the Board of School Commissioners May 8, 1922, before which time he was employed in the business world. In 1949 he was promoted to the position of Assistant Superintendent in

charge of Business Affairs. Upon his retirement in 1953, after thirty-one years of faithful service, he was awarded The Mobile Press Scroll of Merit as a tribute to his work and devotion to education in Mobile County. He passed away November 6, 1958. This memorial, which we are establishing is in honor of Mr. Davidson, who was beloved and highly respected.

Organized as new senior high school in September 1960, the 186 ninth grade students were held at Azalea Road Junior High and became the first Davidson class. Davidson matured into a full senior high by the addition of another grade for next two years. The first class graduated on May 28, 1963. Presently Davidson has an enrollment of approximately 1600 students and a faculty of 64.

Most of us today admire this building for its newness, its bigness, and its beauty; but as the years pass, many will come to love the school for more: its traditions, its memories, and its part in the training, and development of the boys and girls in the area.

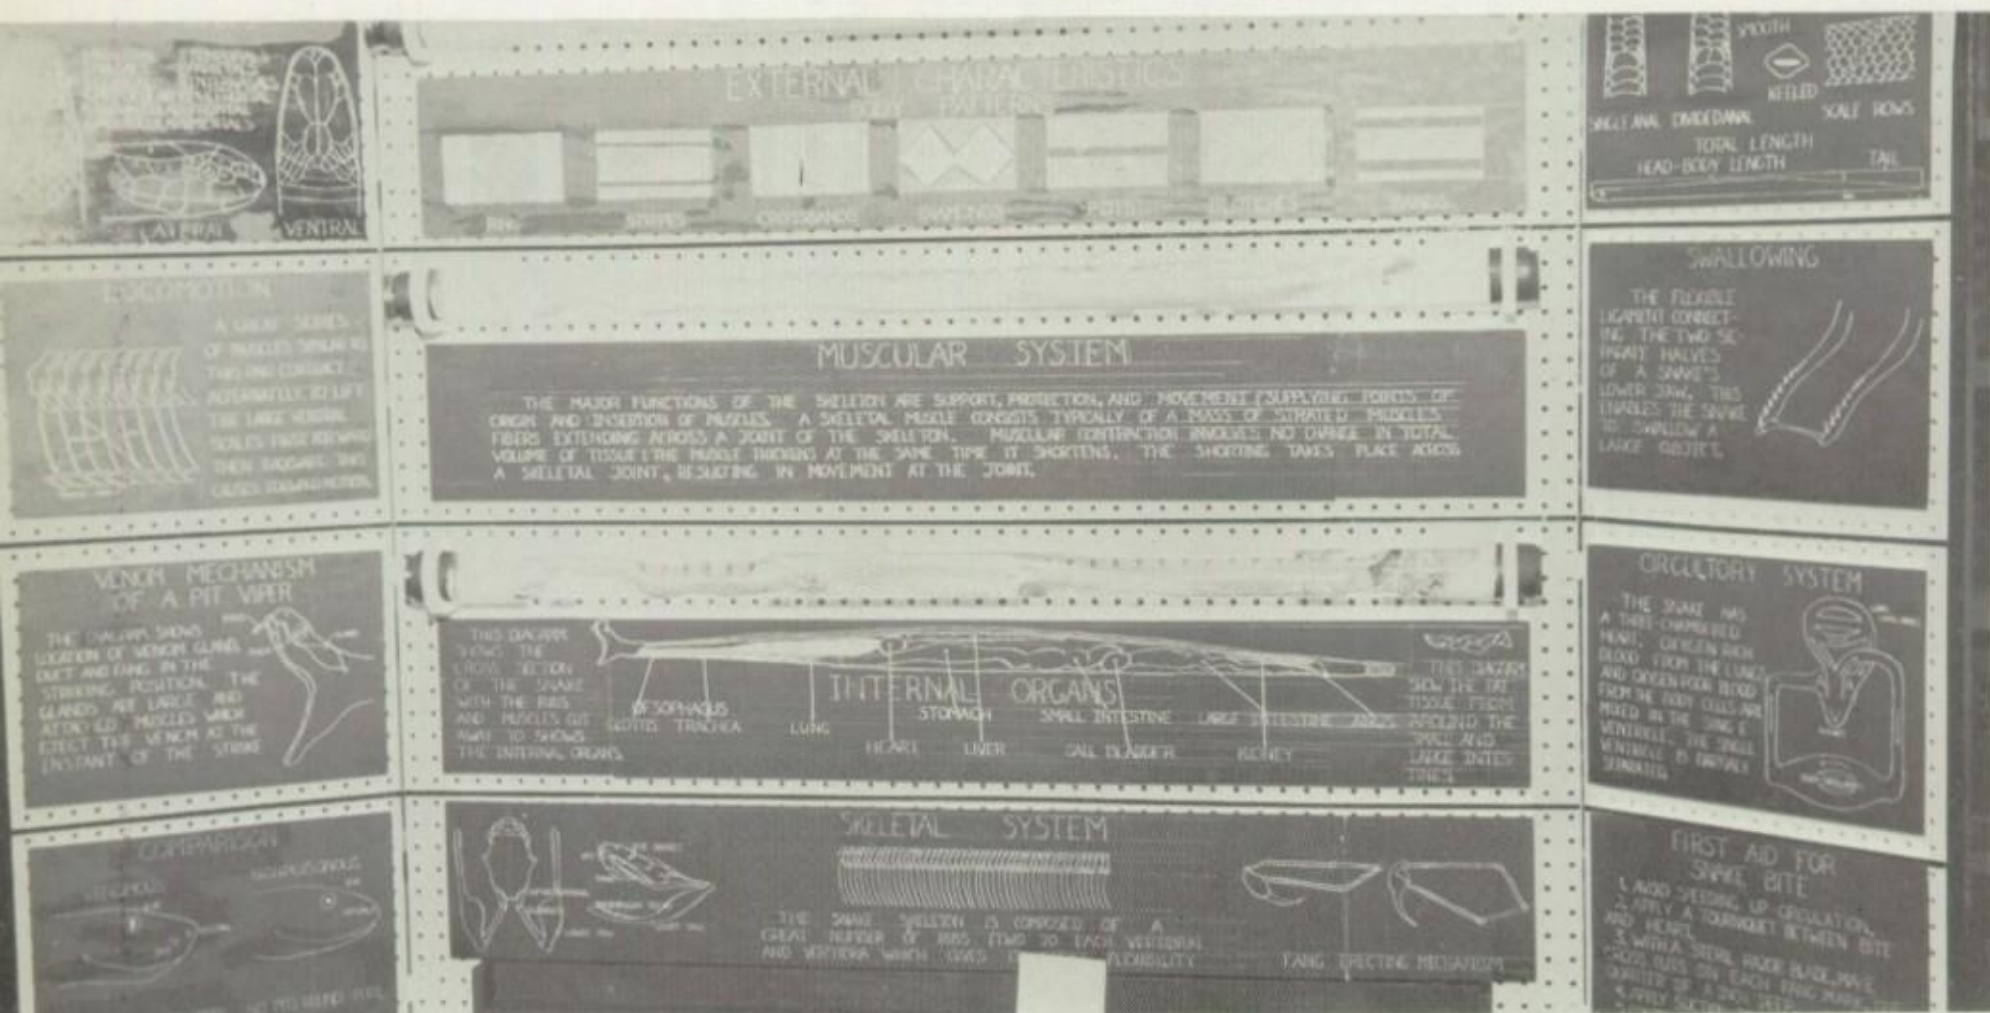

President of School Board addresses Dedication group.

Dear Ronnie,  
I've got so much to say, but I don't know how to say it, but here goes. Ronnie I think you are a wonderful boy with a darling personality. I am so glad that I met you and I want to keep knowing you. Don't forget Jan's party and the little ole rag, and don't forget the typewriter recorder. (a good way to blackmail you) I want to tell you how special you are, in another way.

## THE SENIOR CLASS

Next time you call me at 3:30 in the morning, sorry 3:40 I will try to talk longer. Don't forget the crazy party we had May 22<sup>nd</sup> and all the stuff that happened.

OF

1964

Ronnie I'm going to miss you while down in the Bahamas, so be listening for that phone call. I have just got to tell you how much I like you, so watch out for those girls. Ronnie I hope we can see each other a lot this summer, I'm lucky to live so close to such a cute boy.

P.S.  
Have fun at  
Laughlin Island;  
I'marty.

Love Always &  
Always,

 swell guy this year,  
 and its been great  
 being in "Dear Old Mrs

 I really don't

 intelligently. This year  
 has been a lot of fun,  
 though. And even though  
 the Science Club probably didn't  
 want me in it, I've had  
 a lot of fun in there, too.  
 I hope we can always be  
 very good friends - to the

Be a real sweet guy. Keep up the  
 good work. You'd go places I hope  
 you get the best always. Stay sweet

 a lot. You'll wear yourself out.
